Tim,

They did not provide a duration. There is a consent decree that says they need to award the job by sept 2025. They noted these milestones:

Milestones: #1 – construction completion (ready for checkout, startup & testing) by 11/1/28

#2 – substantial completion (commencement of owner responsibility) by 5/1/29
#3 – final completion (completion of closeout & final payment) by 8/1/29

So figure start November 2025 and complete by May 2029.

ATTENTION: This email originated from outside the organization. Please proceed with caution.

Good Morning, Keith
Is there a milestone available for this project. or maybe some information on when it will start and end.

Thank You

Please hit reply all when responding to this email

,

ECCO III is bidding on the above referenced project for the Westchester Joint Water Works

<u>Contract A1362-A Rye Lake Water Filtration Plant</u> as a General Contractor. The Contract bid date is *Monday, June 2, 2025*. If you are interested in providing a quotation for this project, please send your quote no later than Thursday, May 29, 2025.

The full set of bid documents can be downloaded from this link:

https://drive.google.com/drive/folders/1266NX-brXAUmM-RwLcUrXwZemhTH0Ajh?usp=sharing

All subcontractors must comply with the United States Davis-Bacon Act, the New York State Department of Labor's Prevailing Wage Rate Schedule and Certificate of Contractor Registration,
Build America, Buy America (BABA), and American Iron and Steel (AIS). There is a Project Labor Agreement (PLA) in place for this project. Union labor is required.

20% M/WBE participation is also required.

If you have any questions or need additional information, please feel free to contact me.

Thank you,
