

**COUNTY OF WESTCHESTER
NEW YORK**

DIVISION OF ENGINEERING

ADDENDUM NO. 4

CONTRACT NO. 18-508

**BUILDING RENOVATIONS
MOUNT VERNON DISTRICT OFFICE AND
MOUNT VERNON DISTRICT OFFICE ANNEX
100 EAST FIRST STREET AND 9 UNION AVENUE
MOUNT VERNON, NEW YORK**

The attention of the bidder is directed to the following changes, additions, and/or substitutions affecting the above referenced contract.

I. RE: Drawings:

Item A: Clarifications

- 1) All Building Elevations have a list of Allowances for Masonry restoration. These allowances repeat on every elevation for both buildings. Are they to be carried just once or applied for each building or elevation. Please advise.

RESPONSE: Allowances are to be carried out per elevation.

- 2) The Union Ave portion of the project could be done off boom lifts. With an acceptable safety plan, would it be acceptable to NOT use a sidewalk bridge/ Scaffolding.

RESPONSE: The use of sidewalk bridge/scaffolding to successfully perform contract work would fall under the contractors' 'means and methods'. Contractor is responsible for his site safety plan. Closing of sidewalk would need to be approved by the City of Mt Vernon.

- 3) How many dumpsters will be allowed, and where on site would they go?

RESPONSE: Maximum 1 dumpster will be allowed on site to be placed near the location of the vehicle ramp at 9 Union Avenue.

II. RE: Specifications:
Item A: Clarifications

- 1) Noise Abatement- Spec Section 011500, 1.17 says- Equipment and work shall not produce noise in excess of 60db..., will this affect the work times of 8-4 Monday through Friday?

RESPONSE: The contractor will be allowed to perform demotion during regular work hours. Work to be coordinated with building management and County representative minimum 72hrs in advance.

ALL PROVISIONS OF THE CONTRACT NOT AFFECTED BY THE FOREGOING SHALL REMAIN IN FULL FORCE AND EFFECT.
