Bid documents have been uploaded to the SmartBid plan room and are available for viewing, printing and/or download. EDC does not distribute hard copies, emailed drawings, CDs or ftp access so please obtain your bid documents from SmartBid. You do NOT need a username or password, or an account with SmartBid to obtain the bid documents.

If you have any difficulty opening the documents or downloading them, please contact SmartBid Support at (888) 808-8319 and they will be happy to assist you.

Please respond either Accept or Decline so you will be included in any project notifications/addenda, and refer back to the plan room before submitting your proposal to ensure you are pricing from the most current set. If for some reason you have trouble responding through the SmartBid system, please email your response to my attention at [jmccarty@edcweb.com](mailto:jmccarty@edcweb.com).

If you have previously submitted a Prequalification Form and a W9 there is no need to resubmit unless your information has changed. Please review all files and include in your bid proposal. Please respond to this ITB, to Preconstruction Department by either email, fax, or through SmartBid.

Feel free to contact me by any of the methods below if you have questions not addressed in this invitation to bid, and thank you for your participation.

Thank You,
