RE: Halle Building Gymnasium Alterations

- RFI # 1 Please provide the trade labor status for this project,  
Open shop, Prevailing wage or Union.  
**OPEN SHOP**
- RFI #2 Are there any MBE/WBE requirements? **NO**
- RFI # 3 Is there's an existing BMS system we are tying into? **NO BMS, NOT ATC. STAND ALONG THERMOSTATS**  
If yes please provide contact information.  
If no please provide an ATC spec and sequence of operations
- RFI # 4 To what extent do they want duct liner on the rectangular duct work.  
**ROOFTOP EQUIPMENT 10' SUPPLY AND RETURN**  
**INTERIOR UNITS 5' SUPPLY AND RETURN**
- RFI # 5 What kind of round ductwork do they want where it is  
exposed? Spiral Seam? **ROUND NO INSULATION AND NO LINER.**  
**JUST LINED INTO BUILDING FROM SOUND TRAP**
- RFI # 6 The specifications talk about concealed duct work  
insulation, what about exposed duct insulation?  
**NO INSULATION ON EXPOSED DUCTWORK IN GYM**
