ROCKLAND COUNTY'S INSURANCE REQUIREMENTS:

GENERAL LIABILITY: Prior to commencing work, the CONTRACTOR or CONSULTANT must, at its/his/her own cost and expense, procure and maintain insurance to cover his/her/its work, services, employees, agents and servants under the terms of the contract or purchase order which must include, but not be limited to the coverage that is selected on the attached matrix. Insurance must be obtained from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Upon failure to furnish, deliver and maintain such insurance, the agreement, contract award or purchase order may be declared suspended, discontinued or terminated or canceled. If at any time any of the policies required herein must be or become unsatisfactory to the County, as to form or substance, or if a company issuing any such policy must be or become unsatisfactory to the County, the CONTRACTOR OR CONSULTANT must upon notice to that effect from the County, promptly obtain a new policy and submit same with a certificate for approval by the County.

If the County purchases insurance under this Section, Contractor or Consultant will be responsible for the cost of that insurance, including interest and any other charges the County may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The cost of insurance under this Section may be more than the cost of insurance that Contractor or Consultant may be able to obtain on its own.

In relation to purchases that are not a result of a County Bid, RFP or Contract; Vendors who cannot provide the coverage limits on the attached matrix may provide the County with an ACORD Certificate detailing the coverage limits they currently have in place and the County will review such certificates on a case-by-case basis to determine if sufficient coverage is in place in relation to the perceived risks associated with the proposed purchase.

COVERAGES – (SEE ATTACHED MATRIX)

- (1) The per occurrence and Aggregate limits for specified coverage should apply on a per location or per project basis.
- (2) Automobile Liability Coverage is required IF an automobile is used in the execution of their contract. A vendor using a third party for shipment or transport does not require Automobile Liability Insurance.
- (3) An ACORD form is NOT acceptable proof of NYS Workers Compensation (WC) or Disability Benefits (DBL) Insurance coverage. For WC, secure form C-105.2 or U-26.3. For DBL, secure form DB.120. Workers Compensation/Employers Liability, and NYS Disability are not required of: a) a business that is owned by one individual, is not a corporation, and does not have any other employees, b) a self-employed individual, c) an out of state employer with no NYS employees. IN EACH CASE, the employer must file Form CE-200, Certificate of Attestation of Exemption, with the NYS Workers Compensation Board certifying that they are not required to obtain NYS specific Workers Compensation Insurance or NYS statutory Disability Benefits.
- (4) A consultant is someone who gives expert or professional advice. Consultants are ordinarily hired on an independent contractor basis. Therefore, the County is not liable to others for the acts or omissions of the consultant. A consultant is an individual who possesses special knowledge or skills and provides that expertise the County for a fee. Consultants help find and implement solutions to a wide variety of problems, including those related to business, marketing, manufacturing, strategy, organization structure, environmental compliance, health and safety, technology, and communications. Some consultants are self-employed, independent contractors who offer specialized skills in a certain field; other consultants work for large consulting firms, that offer expertise in a wide range of business areas; and still other consultants hail from academia. Specialists in various professional fields that work with the general public and have greater than average expertise in particular areas, for example lawyers, doctors, pharmacists and insurance agents, require additional coverage for someone who is injured as a result of their negligent acts or omissions. Therefore, Professional Liability Insurance is required if commercially available for your profession.

SAMPLE ACORD CERTIFICATES: Sample ACORD Certificates detailing the required insurance coverage are included in each Invitation to Bid or Request for Proposal. These are provided as for informational purposes only to County Vendors and their Insurance Brokers to assist you in obtaining the correct insurance required for County contracts. Please note that the attached certificates reflect the standard types and limits of insurance the County requires most often. The requirements of each proposal may differ in which case the proposal's specific requirements must prevail. Please review the insurance requirements of your proposal carefully with your broker.

Exceptions: The limits shown in the matrix and samples will generally be required for service providers involved in low-risk activities. Higher limits may be required for service providers performing potentially high-risk activities.
