SIGN SYMBOL LEGEND

- MANDATORY POLICY SIGN DESIGNATIONS**
- Each sign in the program guide has been given a specific sign type number designation. This designation provides a common description that can be referenced when programming a site and ordering signs. The following explains how the sign type designations are derived:
- IN - 02.03 A**
- I** Designates an interior sign.
 - N** Identifies the sign is non-illuminated.
 - 02** Two digit number identifies a particular sign type family.
 - .03** The two digit number, following the period, identifies a specific sign within the sign family.
 - A** The letter designates a specific sign configuration, version and/or layout for graphics.
