SIGN SYMBOL LEGEND

MANDATORY POLICY SIGN DESIGNATIONS

Each sign in the program guide has been given a specific sign type number designation. This designation provides a common description that can be referenced when programming a site and ordering signs. The following explains how the sign type designations are derived:

IN - 02.03 A

I Designates an interior sign.

N Identifies the sign is non-illuminated.

02 Two digit number identifies a particular sign type family.

.03 The two digit number, following the period, identifies a specific sign within the sign family.

A The letter designates a specific sign configuration, version and/or layout for graphics.
