PLEASE NOTE THE FOLLOWING:

BID INFORMATION – Response to RFI's

1. Regarding the new school entrance sign on the drawings. There are no specifications for this sign except for size only on drawings and I don't see a manufacturer spec for it in documents. What type of sign are you looking for?
2. In the written specs it mentions tables and trash receptacles by victor stanley but i don't see them on the drawing for the site work contract. Are tables and trash receptacles in this bid?

Response: Attached are revised drawings, sketches and the Division 28 specifications sections.
