

The diagram is a cross-section of a proposed infiltration basin. The vertical axis represents elevation in feet, ranging from 175 to 200. The horizontal axis represents stationing, with labels for STA. 0+00, STA. 0+59, and a specific elevation of 182.7. The basin is shown as a trapezoidal shape with a sloped bottom. A dashed line indicates the water level. The area between the water level and the basin bottom is labeled 'PROPOSED INFILTRATION BASIN'. The area above the water level and below the top of the basin is labeled 'MEDIUM STONE RIP-RAP'. A small '1' is marked near the top left of the basin, and a '3' is marked near the top right. The bottom of the diagram is labeled 'OUTLET-0+10', 'OUTLET0+50', and 'OUTLET0+75'.
