Bidder Email Address: admin@nickydiggs.com

Question Pertains to:

Drawing Number: Various
Plan Area:
Room Number:
Drawing Detail Number:
Specification Section:

----- **Question:**

(Please be specific)

Based on your response to the RFI's regarding snow removal. It is our understanding the site contractor will NOT be responsible to provide snow removal for the other contractors that will be on site during the winter months

Review by Architect/Engineers:

Responded By: __TPG__ **Date:** __10/02/24__

Not sure if this is a question but that statment is correct, snow removal (if necessary) will be the site work scope only.

Submit requests not less than 5 working days prior to the specified Bid Opening date and time. In the event that this question requires clarification or modification of the Bidding Documents, such written information can only be provided by formal Addendum, distributed to all plan holders.

----- **Question:**

(Please be specific)

Site Construction Contract
C. Temporary Facilities
line item # 7 Please clarify what hoisting requirements will be expected and the lifting weights.

Addendum #1 page 12 , #16 Site contractor to provide and install light pole bases.
Please clarify quantity of bases

Addendum #1 page 12, #19 what rock removal quantities?

Review by Architect/Engineers: **Responded By:** ____TPG____ **Date:** ____10/02/2024__

hoisting is for offloading any equipment you need to offload or set.

There are no light pole bases in this project

the note just says that any rock removal is to be removed off site. there is no quantities.
